educate and empower all students by meeting their individual academic, behavioral, emotional, and social needs.

Dr. Terry O. Oatts, Superintendent

The following section illustrates specific projected revenue line items within each of the three sources.

Grant and Federal funds are one type. These monies are designated for specific programs and must be expended accordingly. This is a very small portion of our overall general fund budget which is equal to $0.10 \%$.

State funds assist in implementing the Quality Basic Education (QBE) regulations established by the state legislature. The projected revenue from the state of Georgia for 2023-24 represents the amounts on our revenue allotment sheet received from the State Department of Education. We are anticipating a $7.4 \%$ increase in this revenue source. State funds comprise $53.7 \%$ of our overall general fund budget.

Local funds consist of monies received from several local sources such as tax collections for property and intangible taxes as well as rentals, tuition, and sale of equipment. RCPS coordinates with the Rockdale County Tax Commissioner on establishing a millage rate for our Maintenance and Operations (M\&O) budget. We are anticipating a slight decrease in this revenue source. Local funds comprise $46.2 \%$ of our overall general fund budget.
